Expo Idaho, Boise, Idaho

The Boise Basin Quilters' Guild (BBQ) cordially invites you to join the merchant mall at our 2019 Quilt Show. The theme of our show is *Autumn Splendor*. Our show will be held at [Expo Idaho](#), 5610 N Glenwood, Boise, ID 83714. This year will be better than ever, as **we will be occupying two of the buildings at the Expo Center!** Access to Expo Idaho features multiple entry/exit doors for loading and unloading and free parking close to the building with fenced security storage for equipment trailers.

We welcome merchants featuring quilting-related products, services, clothing/jewelry, and crafts. (No cooking items, edible goods, or scented items.)

The events at the show are being organized by an energetic group of quilt show committee members led by Quilt Show Chair Terri Curry (quiltshow@boisebasinquilters.org). For more information about the show, you can visit our website www.boisebasinquilters.org and click on Quilt Show. The following special opportunities are available for our merchants; you will be contacted if you mark your interest on the registration form to follow:

Online Ticket Partnerships: We offer tickets online for consumer convenience and an opportunity for you to bring attention to your business. Merchant ads are amazingly only \$50, entitling you to offer an enticement for quilters to visit you at the show! Our participating Partners have found this an effective way to get people to visit their booth. We must hear from you of your interest by June 1st, as we put our tickets online in mid-June. Your contact for Online Ticket Partnerships will be Cheryl Neruda, Vendor Chair.

Award Sponsorship: You may be interested in promoting your business through sponsoring quilt awards. Monetary awards are given as \$100 for 1st, \$50 for 2nd, \$25 for 3rd place, as well as awards for quilting and other specialty techniques. Your support gives you special acknowledgement on our Guild's website, the Quilt Show Programs, and the September Guild Newsletter. You will be contacted by the Award Sponsor Chair if you respond affirmatively on our registration form.

Demonstrations: You will be contacted in late summer when you express interest in signing up to do a demonstration or mini class during the show. These special demonstrations must be in our designated area, not your rented booth space. We will be scheduling 20 or 40 minute sessions both days. This gives you 10 minutes to start or 10 minutes to take down your class or demo. Our vendor angels can help with your booth while you present a demonstration. If you are interested in participating in this activity, let us know on the registration form. You will be contacted by the Demonstration Chair for the Quilt Show.

To ensure your space in the merchant mall, return the Registration and Equipment Order Form via mail, to **Cheryl Neruda, Vendor Coordinator, 416 E. Knoll Dr, Eagle, ID 83616, or email cneruda5@gmail.com**. We try to honor special booth requests, however we award spaces on a first paid basis. **Applications will be accepted no later than midnight, August 17th**, as spaces are finalized starting the following week.

After receiving your registration materials, we will send an email acknowledgment and confirmation e-mail upon receipt of your registration fees. A booth set-up schedule and details will be sent to you in early September.

For further information, clarification, or assistance regarding the quilt show or merchant mall materials, you may contact Vendor Coordinator Cheryl Neruda 208.284.3601 email cneruda5@gmail.com
