>>>> ADDITIONAL ELECTRICAL SERVICES <<<<

- Power is required for my booth as indicated below. No power is required for my booth

All motors or heavy-draw equipment require separate circuits. The Expo Idaho staff will inspect all electrical connections for safe operation. If your electrical needs for safe operation exceed your request, you will be provided with additional outlets and be charged accordingly. Additional lighting is the responsibility of the vendor and must meet fire code requirements. Lighting may require an additional power outlet.
