## A Word from Your President

Dear Guild Members,

As I adjust to my role as president, I'm reminded that I have this opportunity only because of the efforts of those who have come before me. From our founding members to our newest members, this guild is the result of the dedication and hard work of many.

I would especially like to extend my thanks to those who served the guild over the past year. Our 2025 elected officers were Vicki Francis, President; Brice McLaughlin, Vice President; Dianne Kane, Secretary; Amanda Bruesch, Treasurer; and Stacy Spaulding, Quilt Show Chair.

Committee members included:

- Communications: Jennifer Price, Brice McLaughlin, Kimberly Severns, Janice Black
- Community Outreach: Kathie Zegers, Vicki Francis, Carol Bearce, Kathy England, Jessi Shaw
- Member Education: Marty Marzinelli, Kathy Irwin, Leslie Harrington, Janice Black, Sonya Parisi-Gray, Maureen Stevens
- Meeting Activities: Amanda Bruesch, Mona Harp, Diana Stewart, Linda Jolly, Susan Peterson, CJ Adams, LaWanda Richardson
- Membership: Darci Mead, Carolyn Griffin
- Technology: Darci Mead, Linda Sturm
- Quilt Show: Lynne MacDonald, Jennifer Price, Terri Curry, Darci Mead, Linda Sturm, Amanda Bruesch, DeAnne Morgan, Vicki Francis, Dianne Kane, Nancy England, Jami Herndon, Brice McLaughlin, CJ Adams, Michelle Wiles, David Wiles, Melanie Sherman, Carol Bearce, Jennica Mitchell, Margie Braach, Jody Zanecki, Darcy Holcomb, Penny Sciascia, Becky Kinzer  
(My apologies to anyone I may have missed. I'm working from past minutes and listing names as I find them.)

As you can see, it truly takes a village to keep this guild thriving. And now, we find ourselves at a crossroads. With the resignation of our Quilt Show Chair, we are searching for someone—or perhaps a team—to step into that role. **Our contract with Expo Idaho, the home of our Quilt Show, has just arrived in my inbox. Should I sign it and commit the guild to the nearly \$7,000 nonrefundable payment? That's a decision your willingness to step forward will help determine.**

We have a Quilt Show Committee meeting scheduled for Thursday, February 26, at 7:00 p.m. Please join us, offer your support, and let's make this happen together.

*Janice Atkins-Neva*  
GUILD PRESIDENT

# Quilt Show Needs a Chair!

**The Quilt Show needs your help!** As noted in the January 24th email to our membership, the 2026 Quilt Show Chair position is currently open. This can be an individual or a group of people, but without someone in the role of chair, the 2026 Quilt Show will be canceled.

Ideally, we'd love to have a Vice Chair willing to shadow the chair this year, then step up as Chair for 2027. If you want to see the Quilt Show happen this fall, now is the time to step forward.

**Please contact Janice at [president@boisebasinquilters.org](mailto:president@boisebasinquilters.org) for additional information.** We have had inquiries into helping with Door Prizes, Gift Garden, and Vendors, but additional help would be appreciated for each of those committees.

An in person Quilt Show Committee meeting will be held on Thursday, February 26 th at 7pm at the Church of Christ. Please do what you can to make sure that meeting is the first step towards a great 2026 Quilt Show.

# Upcoming Workshop

LISA FLOWERS ROSS

Registration is now open for the two-day "Abstracting from Reality" workshop that Lisa Flowers Ross will be teaching for us on February 26 and 27th, 2026.

Lisa is a celebrated textile artist who creates colorful, modern, contemporary art. **Because Lisa lives in Boise, we have the unique opportunity of being able to host this design workshop for \$100 per participant, less than half the cost that it has been offered elsewhere!**

Lisa describes her "Abstracting from Reality" workshop this way:

"Exploring different perspectives will lead to discovery of new ways of seeing. The focus of this workshop is to learn various approaches to abstraction that can be used in designing future artworks.

Using their own photos for inspiration, participants will work through several exercises on paper that explore design elements and principles such as line, shape, repetition and value. Different ways to translate these elements into fiber will be discussed.

Participants will leave with a mostly completed project using either fused fabrics or collaged papers. Hand stitching may be worked on in class, but any machine stitching and finishing will need to be completed outside of class."

The two-day workshop will be held at the Idaho State Archives Building, 2205 Old Penitentiary Road, Boise.

On Jan. 1st, the general public is invited to register for any remaining spots. The registration deadline (and the last day to request a refund) is Feb. 21st. To register, please visit the [BBQ website](#).

Registration for all of the MJ Kinman Workshops and her "Playing with Pixels" lecture opened to both members and the general public on Jan. 1st!

Times and prices vary, but these will all be held at the Hampton Inn (Boise Spectrum), 7499 W. Overland Rd., Boise. Tickets may be purchased on the guild website.

Please note that we DO NOT RECOMMEND registering for both the full-day workshop "Cracking the Color Code" and the half-day workshop "Lit From Within," since there will be a considerable amount of overlap in the material covered.

**MJ will present a slide and trunk show at our March 19, 2026 meeting regarding her gemstone quilt journey. Be sure to attend at the regular meeting time of 7 pm.**

# New Meeting Activities

## HELP DESK

Do you have a project sitting around that you just don't know what to do with? Maybe you're stuck trying to decipher a pattern. Or you're just not sure what fabrics to use for a border. You've finished a top but can't decide how to quilt it. Bring your project to the Help Desk and let your fellow guild members help you get back on track. Tables will be set up in front of the stage for you to display whatever project you're struggling with. A small bell will be on the table, just ring it to say "Hey I'm here and I need your Help". And if you're wandering around the fellowship hall when you hear that bell ring, walk over to the table and see if you might be able to offer the perfect solution. We are a great community with lots of expertise, lets share it with each other.

## PROJECT ON A PAGE

While our Block of the Month program continues its hiatus, look for a new activity, "Project on a Page". Each meeting, a small project will be displayed, something you can put together with leftover fabrics in a short amount of time. A sample will be on display along with a (hopefully) one page instruction sheet. Take the sheet home, bring your project back the following month for a group photo and a chance to win a small prize. This month's project, a casserole carrier to make just in time to bring your favorite dish for Easter Dinner.

## QUARTERED STRIPES BABY QUILT

Barbara Doogan is teaching a class on how to create a lovely "Quartered Stripes Baby Quilt." This class is scheduled for 10:00–4:00 on Feb. 28th.

Finding a way to use striped fabrics in your quilts can be a challenge, but in this class the stripes become an integral part of the design, creating a quilt that looks much more complicated than it actually is! This can be a baby quilt or wall hanging, with the option to make it bigger. All you need is a striped fabric and a border fabric (or two). The possibilities are only limited by your imagination!

Each of the Schoolhouse classes cost \$15 and will be held at Boise Rigging Supply, [6750 W. Victory Rd., Boise.](#)

## SUNFLOWER BLOCKS AND ½ SQUARE TRIANGLE TUTORIAL

A Schoolhouse class will be held on March 14, 2026 from 1 pm to 5 pm to learn how to make either of these two sunflower blocks or both if your fabric is prepared ahead (see instructions) and you are fast at construction. Becky Kinzer will teach a method to create multiple half-square-triangles and results in a beautiful flower. The other does not use HST but makes a fast Bear Paw block that depicts a sunflower.

Becky hopes that you will join her to learn these patterns and methods to create a sunflower block and then donate your block to Wrap the World with Quilts, a non-profit organization that plans to send sunflower blocks to Ukraine. You may have time to make a block to take home as well. (Donated blocks must be finished by 3/19/26).

Please bring yellow, blue and any other supporting colored fabric that you choose (green, brown and white were used in these examples). Some blue and yellow fabric will be provided so feel free to come even if you do not have that fabric.

Becky plans to donate her teaching fee to Wrap The World With Quilts. **If you donate your blocks, the class is free**, but please reach out to [schoolhouse@boisebasinquilters.org](mailto:schoolhouse@boisebasinquilters.org) to reserve your spot in the class and give us an accurate headcount.

### Supplies Needed:

The Guild is providing fabric

Straight stitch sewing machine

Neutral Thread, a few pins

Rotary Cutter and mat

Rulers helpful are 6 ½" square and 12" or longer ruler

Pencil or chalk marker

Iron, pad and extension cord (or you can use the iron provided)

# Appeal for Sunflowers!

**SEEKING SUNFLOWERS! PLEASE JOIN IN PROVIDING ANY KIND OF SUNFLOWER BLOCK, 12 ½" SQUARE, USING PREDOMINATELY YELLOW AND BLUE TONES.**

Here are some examples of sunflower blocks but please feel free to make any sunflower block of your choice. Blocks can be brought to the Programs Table at any BBQ meeting or you may contact [programs@boisebasinquilters.org](mailto:programs@boisebasinquilters.org) to arrange for pick up.

Blocks will be sent to Wrap The World With Quilts. "Wrap The World With Quilts" is a non profit organization providing quilt blocks to Ukraine (yellow and blue are Ukraine's national colors).

When your blocks arrive in Ukraine they will be used to build a 1,100 meter-long quilt to stretch the length of Kyiv's main street. The blocks provided by over 36 countries will create a demonstration to symbolize unity, resilience, and peace.

The blocks will then be made into quilts for distribution to civilians and soldiers.

Thank you for sharing your talent by providing one or more sunflower blocks. If you prefer to send donations directly to [Wrap the World with Quilts](http://www.wraptheworldwithquilts.org), please check their website for instructions.

# Fat Quarter Exchange

## February Exchange | Super Hero Fabric

The Fat Quarter Exchange is a fun part of our monthly quilt guild meeting! It's a simple yet delightful way to share fabrics and spark creativity. Each month, members bring in a fabric fat quarter (a 18" x 22" piece of fabric), and in return, they get to put their name into the raffle. When the drawing takes place, the lucky winner or winners receive a whole stack of fat quarters that match the theme of the month. Whether it's bright florals, cozy plaids, or bold solids, it's always a surprise and a great way to build up a fabric stash with new and inspiring materials.

This exchange is meant to encourage everyone to participate, regardless of skill level, and to have fun with the process. Who doesn't love the thrill of winning a beautiful collection of fabrics that might just spark a new creative venture? So, bring your fat quarter, take a chance, and join the fun!

Upcoming exchanges are below
